

SAN DIEGO LAW ENFORCEMENT EMERALD SOCIETY

Brothers and Sisters:

After long last, much thought and a tremendous amount of procrastination, the San Diego Law Enforcement Emerald Society is forming a Pipe & Drum Band!

Being generally lazy, we are believers in working smarter, not harder!

If you have any suggestions, comments, shortcuts, bylaws, requirements, etc that may help us in this endeavor, it would be greatly appreciated. Please forward this to anyone in your organization that you feel could be of help.

We would also like your input and photographs of the following to help us in this journey:

- Band uniform (total package)
- Tartans
- Uniform Kit (sporrán, etc)
- Patches
- Badges
- Cap insignia/emblem
- Bass drum designs
- Anything else you may have to offer

Finally, if anyone has connections or recommendations for vendors where favorable prices may be obtained for any of this merchandise, I would gladly accept that information as well.

Thank you from San Diego!
